Introducing Ian Syson. Having retired from university teaching, Ian Syson has now begun the enormous task of writing the history of... Page 2 The Bears are delighted to announce and welcome back Kew Jaliens as the Bears 1st grade coach. Kew Returns for 2023 after three years away where, in that time, he has gained his UEFA A Licence, spent time at AZ Alkmaar, PSV Eindhoven, Liverpool, Everton and Manchester City. Upon his return Kew then headed up the Newcastle Jets Academy and Technical Director position at NNSW Football. Appointed for an initial 2 years, Kew returns to continue on from the foundations he initially laid and which Leo Bertos continued to build upon and take us forward. Kew will be assisted by Daniel Dawkins who brings terrific experience and work ethic to the position. Daniel in his role as reserve coach has shown an excellent eye for detail, development and promotion of young players to senior football. The club would also like to extend its sincere appreciation to Anthony Richards for his ongoing work as interim head coach. His efforts and experience ensured calm waters to give the club a fighting chance to reach finals football and we are delighted he will see the season through with the club. At its senior level the club participates in the National Premier Leagues Northern NSW, the highest tier of Northern New South Wales Football and the second tier of Australian football after the A-League. History Three Weston football clubs were formed in 1907: Weston Advance, Weston United and Weston Albions. The Bears are also credited as being founded in 1907 by coalminers who worked at the Hebburn Colliery. The Bears have spent the majority of their 100-year history in the top flight of local football, winning 13 Grand Finals, 9 Premierships and 9 Club Championships. Club colours Weston wear Black and White striped jerseys, with black shorts and black socks with white trimming. It is thought that Weston chose these colours due to the large number of English coalminers hailing from Newcastle-Upon-Tyne who settled in the region and helped to set up Weston Workers Football Club. Weston's away strip is currently a maroon jersey with sky blue trimming, maroon shorts and sky blue socks. During the 1980s, Weston wore a yellow away strip, which resulted in the fans referring to the team as 'The Canaries' for a short period. Home ground Weston play their home games at Rockwell Automation Park (sometimes referred to as Bear Park). Rockwell Automation Park has been home to the Bears since 1955. The park has two grandstands; the main stand and members stand for club members. Recent seasons Weston's performances in recent seasons of the NBN State League: \*2010: Deserved Minor Premiers finishing the year on 39 points in 1st place. 2009: Finished 7th 2008: 4th on 32 points. 2 goals from Grand Final berth. 2007: 7th on 23 points. 2006: 8th place on 17 points. 2005: 4th place on 28 points. The losses of Brad Swancott and James Monie to Broadmeadow Magic FC and Azzurri FC respectively were major blows for Weston, however the fans still held out hope that the young Bears team would be able to compete in the State League. Weston struggled to string wins together throughout the season. Weston at times started to look like they had hit form, with wins such as the 4-1 victory over South Cardiff Gunners in Round 6, however they would often follow up with a lacklustre performance, such as the 7-0 defeat against Azzurri in Round 7. Three-quarters of the way through the season, Weston looked as though they might be about to be dragged into a relegation dogfight with Adamstown Rosebud, however a win against South Cardiff in Round 15 followed by a 2-1 victory against Azzurri in Round 16 ensured the Bears would be in the State League for another season at least. Weston finished the season in 8th position. The highlight of the 2006 season was the finals campaign of the Reserve Grade team. After finishing 4th on the table, the Reserves defeated Broadmeadow and Hamilton to qualify for the Grand Final, which they won 5-0 against Azzurri FC. The Bears U19s team nearly made the semi-finals, finishing the season in 5th place. The 2006 season was the last for Bears coach Trevor Morris who decided to step down after 4 years in the top job. 2007 season The 2007 season saw several new coaches join the club, with Michael Boogaard coaching 1st Grade, Chad Dobson mentoring the Reserves and Paul Waters taking the Youth Coach position. The coaching transition came along with six teams instead of five with a new junior team coming in, the new U/13s. In 2007 the Bears also upgraded to a special centennial strip which all six grades will wear. With a strong finish to the season the Bears came in 7th, just 2 wins outside the top 4. The Reserve and Youth teams didn't fare any better, finishing 9th and 10th respectively. During the season the Bears celebrated the 100-year milestone for the club. Over 300 supporters, officials and ex players attended the dinner which saw the Team of the Century named. The team featured 14 Bear legends - Jack Avis Snr, John Bond, Jack Gilmore, Warren Halverson, Roy Johnson, Dennis King, Jack Manion, Jim McNabb, Tom Oliver, Tom Snedden, John J Turnbull, John T Turnbull, Jim Wilkinson, and Jim Williams. 2008 season The 101st season for the Bears would prove to be a very successful one. The young side had been kept together and continued to improve and fight out results against the top teams in the competition. Former Bear Steve Turnbull took over reserve grade and Steve Thomson coaching the new 17's team. The Bears also revealed a new strip reverting to thick black and white vertical stripes. First Grade were the surprise packets of the competition, finishing 4th. Although the Bears went into the finals with high hopes they were outplayed in the first leg by Minor Premiers Broadmeadow Magic losing 3-0. Needing a victory by 4 goals, chances of progressing seemed impossible. Most people did not give the Bears a chance but going into half time with a 2-0 lead gave hope to the Bears faithful. Broadmeadow struck back almost immediately after break, meaning Weston needed another 2 goals to advance. A penalty to the Bears put them up 3-1, Magic replied 2 minutes later ending the Grand Final hopes for the Bears. Reserve grade started the season strongly and were right in the mix for the finals but results did not go their way and they finished equal 5th with Edgeworth just 3 points outside the 4. The under-19s had horror start to the season with 8 straight losses putting pressure on the team. Their first win was very emotional, it put some self belief back into the team and they improved on last years performance finishing 9th on 13 points. The 17's weren't expected to be much trouble in this competition, but with a core of players playing together for the past several years they upset many teams and had 2 losses in the first 14 rounds of the competition. But a string of draws and losses in the final rounds saw the young Bears miss out on the finals on 1 goal difference. There was also some personal recognition for the Bears with striker Rhys Tippett being named NBN State League Player of the Year, also with him, Tim Pratt and Nathan Morris were selected in the NBN Select Team for a trial against the Newcastle Jets. Both clubs have enjoyed success at the top of local football over their histories, however Cessnock were relegated back to the NewFM 1st Division at the end of the 2005 season. Maitland are also considered to be a local rival, however they have been in the NewFM 1st Division for many seasons, so the rivalry is somewhat inactive. Weston also has minor rivalries with West Wallsend and Adamstown. West Wallsend have spent recent seasons in the 1st Division, but have been promoted back to the State League for the 2007 season, which will allow the two great clubs to renew their rivalry. Sadly, however, Adamstown were the team to be relegated in order for West Wallsend to be promoted. The Rosebuds finished last in the State League in 2007, and hence will play the 2008 season in the NewFM 1st Division.
